

# We have your keypad! (And everything that goes with it.)

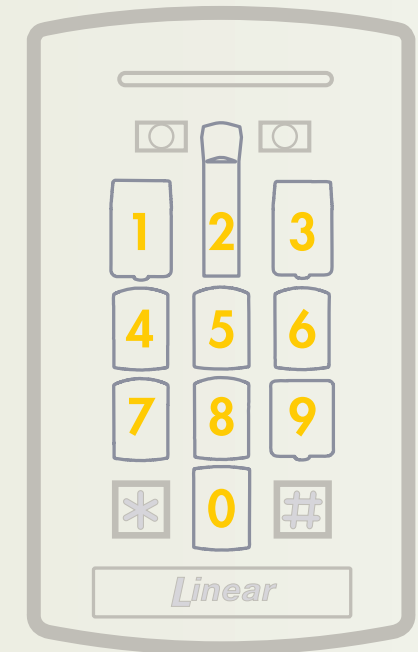

Nobody beats Linear for keypad choices.

We offer nearly a dozen models – from low cost, to weather resistant, to wireless.

Of course, that doesn't mean much if you can't get what you want *when* you want it. Nobody's going to beat us there, either. We're stocked at leading distributors in major markets across the country. With Linear, you're also going to get your keypad the *way* you want it. That means easy to wire, easy to mount, and totally reliable right out of the box.
